EDUCATION

The University of Akron
Myers School of Art
BFA Graphic Design 2017

WORK

The University of Akron
Design & Development Services
MULTIMEDIA DESIGNER

February 2015–Present

Developed understanding on working in a creative environment, by myself and with other members of a team. Created numerous web banners, pages, animations, and all print materials for two major university conferences.

Chipotle Mexican Grill

CREW MEMBER

July 2014–February 2015

Insight to food preparation, quality, and service.

FREELANCE

Rubber City Harley-Davidson

August 2015–2016

Designed a self mailing brochure for an Akron dealership club, along with web banners, graphics and adapted photos for advertisements online and print.

St. Peter's High School: Music Department

August 2015–Present

Created a promotional self mailing brochure for their Fall Music Series, along with several posters.

St. Peter's High School: Theater Department

August 2014–Present

Designed a self mailing brochure that was mailed to their community promoting their theater program and that year's schedule of performances. The brochure alone generated over \$5,000 in donations in the first year.

Personal Projects

Design requests based on the personal needs of clients. Graphics are created for a plethora of uses including: tattoos, branding, cake, stickers, posters, t-shirts

VOLUNTEER

Folk Hall Portfolio Tours

November 2014

Worked in a iMac lab during tours to demonstrate the usefulness and availability of the labs to students and engage with those touring the building.

Portfolio and references available upon request.
